1500x1500x680 mm

Functional Introduction *Lyfco*[®]

Lyfco®

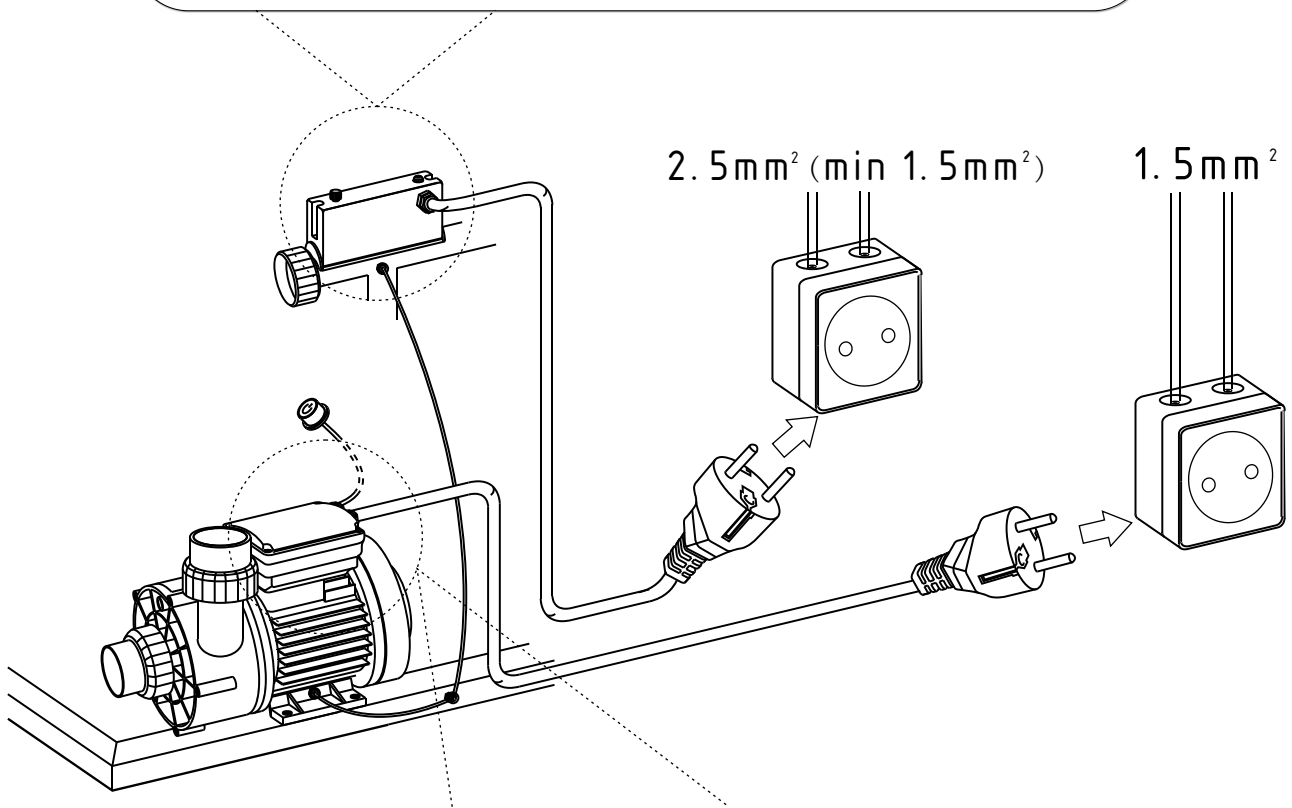

A 3D isometric diagram of a kitchen layout. The floor is a 1500x1500 grid. The left wall is 3000 units high. The right wall is 680 units high. The back wall is 400 units high. The floor has a central circular drain labeled "Drainer". On the left wall, there are two power outlets labeled "Power" with dimensions 300 and 400. On the right wall, there are two water outlets labeled "Hot water" (red dot) and "Cold water" (blue dot) with dimensions 120 and 450. The floor has a 500x800 area on the left and a 1500x800 area on the right.

Power Request *Lyfco*
